

Bedding Guide

We produce our gorgeous bed linen designs for a variety of countries across the world. Finding the right size in a different country can be a bit of a complex business, as each country can vary in size depending on the location. So, we have created this size chart for you, as a handy little tool in order to help you make the right choice when it comes to finding the right fit.

All measurements are shown in **width** first, then **length**. Measurements shown in inches have been rounded to the nearest inch from centimetres.
